

ABOUT THE PROGRAM

Culver-Stockton College offers a joint Bachelor of Science in nursing program in partnership with Blessing-Rieman College of Nursing & Health Sciences, which is located in Quincy Illinois. This is a 4-year program where students work on general education courses and nursing pre-requisite courses during the first year and then participate in nursing classes and clinical experiences at Blessing-Rieman College and Blessing Hospital the second, third and fourth year.

FAST FACTS ABOUT C-SC

Current number of majors and minors: 60+

Number of faculty: 53

Can you minor in this program? No

What makes the program distinctive?

Blessing-Rieman College has a state-of-the-art Simulation Center with nine simulated manikins who have the same physical features that real humans do such as breathing, blinking eyes, heart and lungs sounds, giving birth to a baby and more! Blessing-Rieman is

fully accredited by the Higher Learning Commission (HLC) and the Commission on Collegiate Nursing Education (CCNE), has low student to faculty ratio of 12:1 and students get to participate in over 800 hours of clinical experiences.

THE C-SC EXPERIENCE
