

# 2017-2018 Verification Worksheet

## Federal Student Aid Programs

V1/V5

Your FAFSA was selected for review by the Department of Education in a process called Verification. In this process, certain required information on the FAFSA is reviewed for accuracy and completeness. Federal regulations require us to collect this information before disbursing any federal aid. If there are differences between your FAFSA and the verification documents, we will submit a correction to the federal student aid processor for reprocessing. If you have questions about verification, contact us as soon as possible at 573-288-6307 so your financial aid will not be delayed.
